

JAIL & BAIL

Welcome Jailbirds!

Families impacted by addiction can be broken, affecting every generation. Sadly, the silent victims are the children of addicts and alcoholics. Thank you for helping Community Recovery Resources provide the treatment services these families so desperately need.

You've been charged with:

Attending way too many meetings during the course of your week, working under the influence of caffeine... AND most importantly aiding and abetting CoRR's mission to support Sierra-Nevada Communities with a full spectrum of programs focused toward reducing the social, health, and financial impact on our families and children from all types of substance abuse.

Your Sentence:

Do time for CoRR's Jail and Bail 2009.

Raise bail in the form of donations that will help fund many of CoRR's programs that have little or no funding at all.

About Jail and Bail:

One of CoRR's favorite events, Jail and Bail brings together community leaders, and ordinary citizens for a common cause... battling the disease of addiction. Over the many years of doing this event that is graciously sponsored by KNCO Radio Station, hundreds of citizens have volunteered their time in the name of fun – and a good cause.

On the day of this event, volunteer "Jailbirds" serve time in a mock jail that doubles as KNCO Radio Station. "Prisoners" are arraigned before a volunteer Judge or (Jim Kerr) on trumped-up, outlandish charges like "reckless golf-cart driving". Their sentence is to spend an hour in the "slammer" (KNCO) Radio Station, where they raise bail in the form of donations to Community Recovery Resources.
